**Laboratory Operations:**

Updates: No problems last month.

Copies of the calendars for March and April are attached. We still need one more program for May since Doug Irish will be on vacation.

**Public Relations:**

New Member Liaison: Everything is fine.

Publicity/Newsletter: ok

Weekly Announcements:

Neal reported that Mail Chimp statistics showed that only about 56% of the recipients clicked on their email. We would like to improve that number. It was suggested that we could have members call the Senior Center number and leave a message for someone to return calls to answer questions. Another survey about why the link is not opened, type of equipment they use was also suggested.

Website/Blogs:

Website Update Status: The committee will meet after the Board Meeting to select a date to meet.

**Special Interest Groups:**

Genealogy Users Group: We tried doing a hybrid meeting from the center but lost our internet connection. However, they continued the Zoom meeting without us.
